

Study Skills - Where

- **Same** place – time
- Soon after coming **home**
- **Desk**
- No **gadgets**: mobile/TV/Computer/iPod/Pets!!
- **Temperature** - not too warm
- Well **aired**
- **Bare** desk – one subject at a time
- Study **Plan** important

Some horses don't gallop to avoid pain

When/How to Study

- **Time** - 1.5 hours for first year, 2 hours for second year.
- Revise **class** work
- Do **written** homework
- **Make Notes**
 - a. **Bones** - Spider Diagrams / Bullet Points
 - b. **Clearly** laid out
 - c. **Summary** not transcription
 - d. **Aids** - colour/drawings to help memory
 - e. **Link** topics
 - f. **Memory**: mnemonics, association, stories etc.
- **Learn** notes at the end of the session
- **Repeat** learning – once a day - 7 days, once a week for 4 weeks, then once every six weeks to exam.
- **Enjoy Life** - exercise, rewards, breaks important. Sleep!!

The class will never (because class S are lovely maids) learn rude essays
